Note about the former /yes/ press file

New owner notice. This domain has a new owner. This site is not affiliated with the former Animate project or the European Commission.

A press document from the earlier project used to be available at this address. That project has ended, and the domain now belongs to a new owner. We do not reproduce the old document.

What you can find now

Our page on saving energy at home and in class, with official ENERGY STAR and DOE numbers: https://www.animate-eu.com/yes/

A step-by-step guide to measuring what a plug-in device uses: https://www.animate-eu.com/guides/plug-in-energy-meter/

Archived copies of the old pages (Internet Archive): web.archive.org
